TOP COATS

Toronto, Ontario-December 2, 2008.

This season, glide through winter in style! Laura, Laura Petites, and Laura Plus deliver a strong selection of the season's top coat trends. A flurry of fresh details, including stand collars, oversized buttons, empire waists and trumpet sleeves, as well as rich wools in solid hues, cozy glen plaids, houndstooth and herringbone patterns deliver chic stormproof style. Key looks in cloth coats include double-breasted and belt accents, while lush poly-fills and downs impress with shinier fabrics and sleek, belted variations.
